

SES Family Events

2016-2017

MARK YOUR CALENDARS!

Transportation, interpreters, and childcare are available upon request.

<p>Back to School Night Title I Annual Meeting K-2: September 20 3-5: September 21</p> <p>Parents are invited to meet the teachers and staff, see the classrooms, and hear about what your child is learning this year at school. Learn ways you can educate your child at home & how to volunteer within the school. Learn more about the PTA, Title I, and help make decisions about parent involvement programs, Title I Budget, School/Family Compact, Family Plan, and staff development.</p>	<p>Ready to Learn! <i>October 27</i></p> <p>Join us to learn strategies for helping your students be successful learners. Parents will be provided with ideas about organization, being prepared, and good work habits that will help our students be college and career ready!</p>	<p>Math in the Field <i>March 30</i></p> <p>We will repeat this very popular family event, incorporating math in real life with a trip to extend our understanding beyond the classroom. In past years, we've been to Whole Foods and Uno—stay tuned to see what the 2016-2017 event will look like!</p>	<p>Family Reading Night Snuggle Up & Read <i>February 7</i></p> <p>Families, come out and read with us! You're encouraged to dress up as your favorite book character. Teachers will read favorite texts aloud to model good reading strategies and you will participate in related hands-on activities. You'll learn ways to keep your children reading every day!</p>	<p>*By Invitation Only* Kindergarten Learning Parties <i>April 20, 27 and May 4, 11, 2017</i></p> <p>Kindergarten families are invited to a series of 4 parent/child workshops that will focus on the social and emotional development of our incoming kindergarten students. Parents will learn strategies for supporting their children's social and emotional abilities, which will help students succeed academically.</p>
	<p>STEM Night <i>April 6</i></p> <p>Join us for an evening of Science, Technology, Engineering, and Math through creative play and problem solving for parents and kids. There will be great hands-on activities to stretch your STEM skills while families work together to have fun and solve problems.</p>	<p>Swansfield Summer Kickoff <i>May 25</i></p> <p>Please come to help us celebrate the summer and all we've learned this year! We'll participate in some reading and math activities that families can use at home during the summer to ensure that our students come back better than ever!</p>	 <p>An illustration showing a father, a young boy, and a mother sitting on a light blue bench. The father is on the left, the boy is in the middle holding a green book, and the mother is on the right. They are all looking at the book together.</p>	<p>WE VALUE YOUR INPUT!</p> <p>Please consider joining us for a FIT (Family Involvement Team) meeting to organize and implement activities to encourage a school-family partnership. The next meeting is <u>December 7</u>. We hope you can join us!</p>
